

## **Nottoway Falls**

**“The Falls” located at 5036 Falls Road, Victoria, VA 23974**

"The Falls" is one of Lunenburg County's greatest secrets! The property is owned by the Town of Victoria and is open to the public, at their own risk, during daylight hours only. This area has many rock formations and natural waterfalls! So be sure to bring your camera during your trip! Also available, are fishing and boating opportunities.

Photos are welcome, please send to [victoria.recreation@victoriava.net](mailto:victoria.recreation@victoriava.net)

Don't miss out on the great fishing and boating opportunities. Fishing requires a Virginia fishing license and boating at Nottoway Falls requires boats with **NO** gas powered motors.
